

# CUSTOMER *Bow* NOTICE

We hand craft every item we make, we pride ourselves on our items being Our Creations.

Our *bows* are made for all ages but we advise Children should always be watched during the 'I like to pull' age & the 'I like to eat everything I can grab' age.

I have 2 little 'Princesses' & I am lucky to say my girls didn't get phased by *bows* in their hair, but I never let them sleep in them.

## *Sequins, jewels, diamantes*

We use these in our *bows* and we do our upmost to secure them but due to delicate nature of these small items they can come lose & GLITTER can make you sparkle for days x

On New-born *bow* requests we will not use 'Hotfix' diamantes, we will use only items that can be sewed on.

*I am happy to discuss further any questions you may have regarding this topic.*
